

Mail-In Portrait Request Form

Step 1: Print and complete the form below.

Step 2: Attach a minimum of 3 high-resolution, quality photographs of your loved one (*however, you may send as many pictures as you like*). Please choose pictures that reveal the detail of their face clearly and up close, when possible. These type of pictures are necessary to help the artist capture your loved one's personality and physical characteristics. If you need an example of the type of pictures you should choose, please see the Fallen Soldiers Gallery on our website.

The images submitted do not have to be in military dress, but the actual portrait will be chosen from one of the submitted photographs at the discretion of the artist. We do not blend multiple photographs or remove goggles, hats, etc. for the portrait as this may distort the portrait's results, so please submit photographs that you would want to be representative of your loved one for a lifetime.

Step 3: Mail your Request Form to – The American Fallen Soldiers Project
3200 Earhart Drive, Carrollton, TX 75006

Please keep a copy of your form for your records.

Step 4: We will contact you via email when we receive your Request Form. Our desire, and the heart of The American Fallen Soldiers Project, is to make a profound and lasting impact while also providing a place where you can spend time with your loved one when you need them most. We work diligently to restore a sense of life and presence of our fallen American heroes on canvas and it is this commitment to excellence that defines our portraits, our staff, and our organization. Because of the amount of time and care we put into each portrait and because we try to personally deliver as many as possible in a special memorial event or privately, our portrait completion time can take up to 24-28 months.

Step 5: When it is time to begin your portrait we will contact you either via email or telephone to discuss your portrait's delivery date, time and type of delivery. Then, during the painting process, Phil Taylor will talk with you, usually via email, regarding any questions he may have about your loved one while also updating you as to the portrait's progress.

If you have any questions or need further information regarding the portrait submission process or our organization, please contact us at info@americanfallensoldiers.com or (214) 387-7769. And, please feel free to contact us after submitting your Request at any time. We are here for you.

Thank you for allowing Phil Taylor and The American Fallen Soldiers Project the honor of painting your fallen loved one's portrait. It is our mission to honor, respect and forever memorialize those who have sacrificed their lives protecting our freedom while serving in our Armed Forces.
